*N*EW! DRESSAGE SEAT MEDAL CLASSES!

Dressage Canada has introduced two new divisions for the 2007 season. We are very excited to promote these classes at all of the Carrots & Cocktails competitions. In the Dressage Seat Medal classes, riders will be judged on their position, seat and its use, as well as effect of the aids required by the Training and First Level Dressage Tests. These movements shall be performed by the exhibitors, simultaneously, however, the judge may ask for independent execution of certain movements. These classes will have a Junior Division and an Adult Amateur Division. More information on these classes can be found in the 2007 Dressage Rule book.

Carrots & Cocktails would like to thank our two sponsors that are generously supporting the Dressage Seat Medal classes for the 2007 competition season!

*A*NDERSON RANCH

The first two Carrots & Cocktails competitions will be held at Anderson Ranch, which is located just south of Spruce Meadows. John and Tani Anderson have been working very hard to put state of the art footing in the indoor arena and we are very excited to host some events at this venue. As well, the CA/ADA summer competitions will also be at Anderson Ranch!
