## TRAVEL TIPS 'N TRICKS:

**Plan ahead! (Preparation is less stressful and you'll be happy you did)**

**Cool eye packs and neck pillows is a must when traveling. They provide relief and relaxation especially when you return from a dusty horse park.**

**Consider the climate (always pack a small telescopic umbrella)**

**Remember Important documents and necessities (this should be done at least 2 months prior)**

**Reserve anything important in advance (don't assume anything)**

*REMEMBER OUR ADDITIONAL SERVICES...BRAND YOURSELF AND YOUR RIDING TEAM. Notice the Winners and how they brand themselves. Go to the About Us page on the website and view the bags we designed for the Canadian Dressage Team for WEG and under that click on Luggage for Riding Teams...read Tara's story.*

**If anyone has a cool design that needs to be done, send us an email. We are always willing to listen.**

*Speaking of which... coming down the Red Scarf Runway...*

**Saddlebags**

**Waistbags**

**Western Tapestry (I will probably start with a tote bag, I need feedback on this one!)**

**Paddock boot bag**

**Wallets**

**Helmet Bag**

*Red Scarf Equestrian is proud to sponsor Jumper and Olympian hopeful Erynn Ballard. A beautiful young woman and a winner's attitude. Watch for Erynn's line of luggage designed by Red Scarf!*
